## PROFESSIONAL SUMMARY

Seasoned software developer with over 3 years of hands-on experience in C#, .NET, React, AWS Cloud Services, JavaScript, and SQL. Demonstrated success in end-to-end development, system optimization, and automation. Proven ability to collaborate with cross-functional teams, delivering high-quality, scalable applications.

## WORK HISTORY

### Software Developer, 02/2022 to Present

**Humm-group**, Auckland

- Lead the development and integration of microservices and SPA using React, JavaScript, C#, REST APIs, AWS, CI/CD and SQL, contributing to seamless and high-performance applications.
- Work closely with agile teams to optimize application performance, ensuring millions of customers experience a smooth and reliable platform.

### Software Engineer, 12/2019 to 01/2022

**Skyzer Technologies**, Onehunga, Auckland

- Managed backend systems, ensuring database integrity, implementing effective maintenance strategies, and introducing automated processes to contribute to streamlined release processes, fostering a more agile and reliable development environment.
- Orchestrated the redevelopment of a critical legacy system, achieving substantial improvements in functionality and performance, resulting in enhanced overall efficiency.

### Software Developer Volunteer, 06/2020 to 7/2020

**Software Developer Intern, 03/2020 to 05/2020**

**Novimix Ltd.**, Auckland CBD, Auckland

- Engineered a secure access and approval system using Java, Hibernate, PostgreSQL, Git, Node.js, and open-source libraries, strengthening company-wide data security.
- Developed a project management software, ensuring optimal project workflow through meticulous testing, debugging, and issue resolution, contributing to enhanced team efficiency.

## TECHNICAL SKILLS

- C#, .NET
- React, JavaScript
- REST API, WEB APIs
- Azure DevOps, CI/CD pipelines
- Git, Docker
- AWS Cloud Services
- SQL
- OOD, SDLC
- Automation Testing, Unit Testing
- Coding Standards
- Agile methodologies

## EDUCATION

### • GDip, Software and Web Development (Level 7)

07/2018 - 07/2019

Manukau Institute of Technology, Auckland

### • Master of Computer Applications

08/2015 - 05/2017

Veer Narmad South Gujarat University, India
